The Night Before the Fourth of July

By Natasha Wing

It's the night before the Fourth of July and all across the United States people are getting ready for hot dogs and fireworks. Decked in red, white, and blue, a family heads to a parade, hosts a backyard BBQ with friends and family, dodges an afternoon thundershower, and of course, watches a fireworks show. The Night Before the Fourth of July captures all the fun, excitement, and pride of the best summer holiday!

How Hollyhocks Came to New Mexico

By Rudolfo Anaya

You may see these beautiful flowers in bloom during the summer season. How Hollyhocks Came to New Mexico is a fanciful folk tale that helps explain the beautiful flowers that can be seen in all parts of the Southwest in the summer and fall. In this tale shows how different cultures can work together peacefully and respect the land we all need.
