

## SCORE Credit Card Acknowledgement

Del Norte Credit Union (DNCU) offers the Score Card, a special teenager credit card, for members 16 years or older with a current SCORE savings account. DNCU's goal in offering this product is to help teens learn how to manage money responsibly.

Parents/Guardians are required to co-sign the credit card and are legally responsible for the card's use (please see the card Disclosures). It is also important for parents and guardians to help teens use the card responsibly and to understand the importance of credit and how to manage it wisely.

The online materials listed below are required in order to assist in that education. (Articles are available at [GreenPath.org](http://GreenPath.org) and individually linked from DNCU's SCORE accounts page - [dncu.org/home/manage-money/share-accounts-savings/kids-accounts/score](http://dncu.org/home/manage-money/share-accounts-savings/kids-accounts/score).)

1. Teaching Children How to Budget
2. Budgeting 101
3. Budgeting Steps
4. Budgeting Mistakes
5. Tracking Your Expenses
6. How to Establish Good Credit

By signing below, the Teenager and Parent/Guardian acknowledge that they have together read and discussed the required articles as well as the SCORE card Disclosures.
